What is an ATA Carnet?

ATA Carnet is an international Customs document, issued by an authorised Chamber of Commerce, to facilitate the temporary admission of goods into one or a number of foreign countries without the need for raising bonds, duty, tax and customs formalities. Like a passport, it is presented to foreign customs upon entry and exit.

It simplifies customs procedure for duty/tax/hassle-free temporary importation of a wide range of goods into a foreign country which is a member of the ATA international guarantee chain. When exhibits, advertising materials, commercial samples, professional equipment are covered by the ATA Carnet, its use allows these goods to be admitted duty/tax-free provided they are completely re-exported/re-imported within the period approved by customs authorities for their temporary importation/exportation.

The initials "ATA" are an acronym of the French and English words for "Admission Temporaire/Temporary Admission".

*“ In India,
ATA Carnets
are issued
under the
guarantee and
authority of
FICCI. ”*

Why Use an ATA Carnet?

The ATA Carnet:

- Simplifies customs procedures. It allows exporters and business professionals to use a single document for most customs transactions and to make arrangements in advance, at a pre-determined cost, in Indian Rupees. It also eases re-entry into India.
- Reduces business costs. It eliminates the need to pay the duties and taxes or to post the security normally required at the time of importation in all countries visited.
- Saves time and paperwork. It allows for an unlimited number of trips, within the ATA Carnet's one-year window of validity, to any of the countries that are part of the Carnet system without having to re-apply for new documents.

Goods Covered

- Commercial samples: e.g. jewellery, apparel, watches, leather goods, etc.

- Items intended to be given away.

Such as paint, cleaning materials, food, oils, leaflets and brochures, which are considered as "consumable items" and intended to be given away, disposed of, or utilized abroad, are excluded from the ATA Carnet System as they would not ordinarily be re-exported.

- Items already sold or offered for sale.
- Unmounted gems or gemstones; theatrical make-up, etc.
- Alcoholic beverages, tobacco and fuels, etc.

Validity Period of ATA Carnets

A Carnet is valid for a maximum period of 12 months from the date of issue. The validity period of a Carnet cannot be extended or renewed.

If the validity period is exceeded, duty, taxes and penalty charges will be incurred, despite proof that the goods were eventually re-exported/re-imported. Any such charges incurred will be the liability of ATA Carnet holder.

Authorized custom ports for ATA Carnet clearance in India:

In India goods under ATA Carnet are allowed to enter through the following customs stations:

Refund of Security deposit

- Upon completion of the final trip, the original ATA Carnet, including used and unused counterfoils and vouchers, must be returned to FICCI
- To discharge the liability of an ATA carnet, proof of re-exportation/ re-importation of goods covered under it, has to be submitted. It is important to obtain the correct customs verification of entry and exit from each country visited. Failure to do so may well lead to Customs duty and a penalty or tax being imposed.
- Sale of goods under ATA Carnet is not allowed. It is technically a violation of the Carnet agreement. Knowing that this sometimes happens, however, it is advised that the seller, to protect against any subsequent Customs claims by any country, must obtain an itemized receipt specifying that appropriate duties and taxes were paid, eg. Bill of Entry acquitting Carnet. Failure to produce correct evidence will result in non-refund of the security deposit guarantee.
- Please note nonfulfillment of discharge obligation of a carnet can cause forfeiture of the security deposit, besides other procedures as per law.

Provided there is no evidence of the carnet entering into dispute, the deposit / bank guarantee will be released as soon as possible.

All the payments have to be made in Indian Rupees.
